Additional notes

- The vehicle model has been left unlocked for fellow modders to help them enhance and sharpen their modding skills. Hence, practice of fair crediting is much appreciated and expected.*
- If you want to upload this archive somewhere else, please make sure you don't tamper with the readme file or any of its contents, given that you haven't made any changes to the model itself.*
- The vehicle features realistic daytime glowing headlights, working mirrors, 3D interior, appropriate collisions, high quality dirt and brekable glasses.*
- The vehicle is low-poly.*
