

HUMMER H2 LIMITED EDITION 2010

HUMMER H2 2010 LIMITED EDITION

Design and Converted by RSocialClubTV

By adding their the interior texture, wheel attach on their back, silver lining under their chassis. The featured of this mod has a accesories and componets. Replacing Patriot. This mod has a complete accesories , HD interiors and also the final of Hummer H2 series. As it promise or maybe more update of Hummer H2 and why it is called it as final.

By the way, RSocialClubTV realize of his mod made fast and the using of his technique is the stored first Grand Theft Auto San Andreas vehicle were the mod is ready to change the bugs, the detail of chassis per each, for checking their parameters. Allowing RSocialClubTV created, converted from San Andreas vehicles to Liberty City (IV) other vehicle that cannot created by the user. And also their signature frame as their "Phenomenal Modes" that RSocialClubTV has made of mods, actually are rare. The description of installation of this mod are as follows:
